

ドイツの日本学におけるベルリン国立図 書館の役割

The role of Staatsbibliothek zu Berlin with respect to Japanese Studies in Germany

Bridging the Gap, EAJRS Conference 2012, Berlin 21 September 2012 Ursula Flache

Staatsbibliothek zu Berlin, East Asia Department

The sixteen German federal states = Bundesländer

German constitution:

"Cultural sovereignty of the German Bundesländer"

Education, media, art (including library matters) are the responsibility of the Bundesländer

Source: http://www.bundesrat.de/cln_092/nn_6904/DE/struktur/laender/laender-node.html? nnn=true

The six German online union catalogues for books

Germany has no nationwide union catalogue for books, but only for periodicals (so called ZDB http://zdb-opac.de/)

German National Library

- ⇒ founded in 1912
- two locations:
- ⇒ Frankfurt/Main (formerly West Germany)
- Leipzig (formerly East Germany)

ORCES ASIA

Distributed national library through nationwide cooperation: The Collection of German Prints

- virtual German national library
- founded in 1989 by an association of six German libraries
- divided responsibilities:
- ⇒ 1450–1600: Bavarian State Library (Munich)
- ⇒ 1601–1700: Herzog August Library (Wolfenbüttel)
- ⇒ 1701–1800: Göttingen State and University Library
- ⇒ 1801–1870: Frankfurt University Library
- ⇒ 1871–1912: Berlin State Library
- since 1913: German National Library, Leipzig and Frankfurt/Main

System of special collections: nationwide cooperation of libraries

- German Research Foundation
- ⇒ founded in 1949
- idea: at least one copy of each important academic book should be available in Germany
- coordinated nationwide acquisition plan according to subject/region
- 3 national subject libraries and 23 state libraries / regional libraries / university libraries
- Website with information (sorry, available only in German):

http://webis.sub.uni-hamburg.de/webis/index.php/Webis_-_Sammelschwerpunkte_an_deutschen_Bibliotheken

Three national subject libraries

⇒ German National Library of Science and Technology, Hannover

German National Library of Medicine, Cologne

⇒ German National Library of Economics , Leibnitz Information Centre for Economics, Kiel and Hamburg

The remaining fields of humanities and social sciences are distributed by subject or a combination of subject and region

Special collections by **subject**: **list** of libraries in charge of

- media (in general)
- library and information science
- philosophy and religion
- ⇒language and literature, arts, music, theatre
- social sciences and politics
- ⊃law
- ⇒history
- **Osports**

Special collections by **subject and region**:

so-called "regional chart"

▶ Blue interlibrary loan

direct link from the OPAC to the online order form of the Blue ILL

Empty online order form available on the website https://crossasia.org/en/info/kontakt/blv.html

Digital collections of copyright free material

https://crossasia.org/en/digital

- historical Mongolian maps
- Chinese "battle copperplates" of the Qianlong 乾隆 (1736-1795) Emperor (乾隆得勝図)
- dictionary of Japanese exchange students in Germany of the Meiji and Taishô period
- Lao manuscripts
- Collections of premodern
 Japanese, Chinese, Manchurian,
 Tibetan materials and Western language books on East Asia

ANDRO-CHER AWARD DEBES

contramains of the utilies, tomples, and palaces I had just sticked in the heart of Cautinella. The project I was unable to carry one set that my expressions in Ceylam are continued to the surrow limits of Galle-harbour and in the adjacent hills—work sedect as full so the lot of all whistened by the strangers of the Peninssion and Oriental line. I must therefore invite say sender in meaning and at the ministers of Indo-China, where I spent seem paint of my life, before I can bege to introduce him to people as places with which he may be still autimiliar.

Further duties of Berlin State Library

- exchange of official publications with the National Diet Library, Tokyo
- ⇒ ZDB = German union catalogue of periodicals: responsibility for Japanese title authority headings
- ⇒ GND = German authority database responsibility for names of Japanese persons

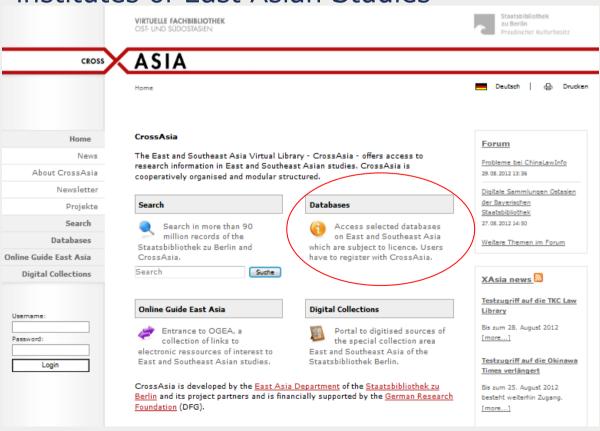

Features of the virtual subject library: CrossAsia http://crossasia.org

- licenced databases
- usage limited to registered users of German institutes of East Asian Studies

Online guide East Asia (OGEA): collection of links related to East Asian studies

OGEA - Online Guide East Asia

The Online Guide East Asia offers access to electronic resources related to East and Southeast Asian studies in both western and orginal language. OGEA is built up and maintained in cooperation with our project partners. You may either browse the catalogue by subject classes or search a term and then filter your results by futher criteria such as region, language, kind of resource etc.

Introductions for users: in Berlin and throughout Germany

In 2012 introductions in:
Hamburg
Leipzig
Cologne
Trier
Tübingen
Frankfurt/Main
Duisburg
Berlin

. . .

Outlook: evaluation of special collection system in 2011 will lead to significant changes

- more emphasis on exchange with academic community and service for academic community
- emphasis on electronic resources
- new condition for the acquisition of electronic resources: permanent usage rights
