Doctoral Dissertations

- Dissertations sent to the NDL from 1991-2000
- Search by Keyword, University, Accepted Year etc.

Periodicals

- Selected titles up to the volumes published circa 2000
- All periodicals are onsite access only except:
- *医学中央雑誌 Japana centra revuo medicina.* vol.1 (1903) to vol.410 (1983) .
- *Official Gazette: English edition* from April 4, 1946 to April 28, 1951.

近代デジタルライブラリー Digital Library from the Meiji Era

明治以降に刊行された図書・雑誌のうち、インターネットで閲覧可能なデジタル化資料を公開しています。

Photoduplication for your research

"Onsite Access Items"

 \Rightarrow Request photoduplication

Information:

http://www.ndl.go.jp/en/service/copy.html

contact: e-mail: <u>ill-sec@ndl.go.jp</u>

- * The NDL Digitized Contents can locate all pages that contain relevant information.
- *Photoduplication products will be from the digital image of the item (not from the original).

Reproductions for your Publications

All items from the NDL holdings require users to fill in a form, when they are reproduced.

⇒ Reproduction Request Form

https://www.ndl.go.jp/en/attention/reproduction.html

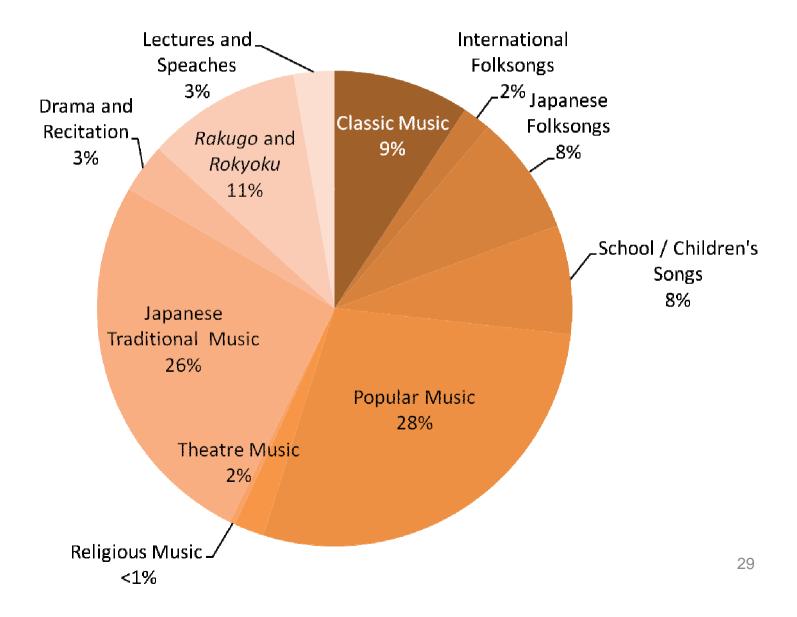

* Reproduction request s through this form are possible only with the items with expired copyrights. For the remainder, you need the right holders permission.

Historical Recordings

Sound recordings of music, lectures, etc. on 78rpm records and other early discs produced from around 1900 to 1950.

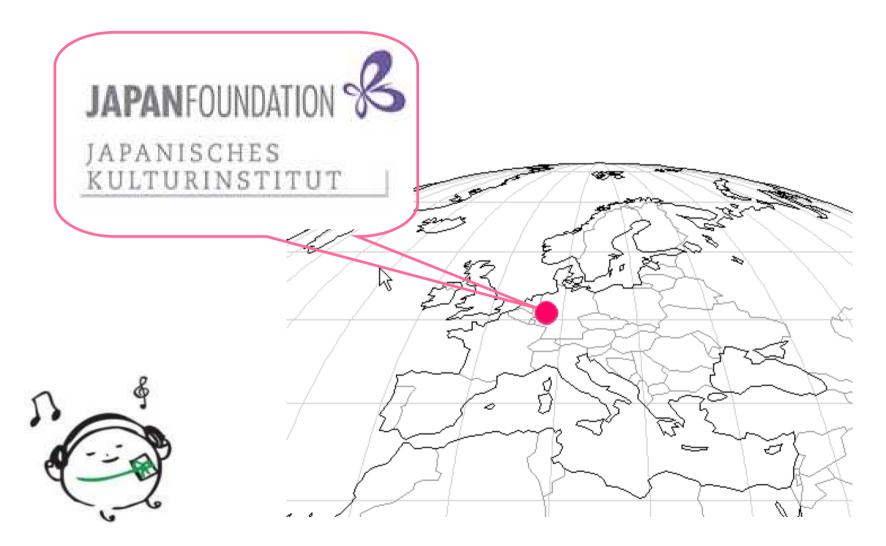

Composition by Genre

Sending Music across Japan • •

• 85 public libraries in 29 prefectures (as of September 2012) п
