# Open Access and scholarly communication: local activities at LU

2005-09-22

Jörgen Eriksson  
[[jorgen.eriksson@lub.lu.se](mailto:jorgen.eriksson@lub.lu.se)]

# Activities at LU: goals

- **To actively support scientific publishing and communication**
  - To support researchers publishing and self-archiving in Open Access journals and services
  - To disseminate and market LU publications nationally and internationally
  - To initiate and advise on scientific communication issues
  - To give technical and bibliographic support to digital archiving projects
  - To offer a bibliometric service for evaluation of LU's scientific production

2005-09-22

» *From the strategic plan for LUB, Head Office*  
Jörgen Eriksson  
[jorgen.eriksson@lub.lu.se]

# Activities at LU: why?

- **To maximise the availability and impact of publications with affiliation LU**
- **To create a better basis for evaluations based on publication output**
- **To contribute to the marketing of LU**

# Activities at LU: what are we doing?

- **Support publishing in OA publications**
- **Offer self-archiving and publication registration services**
- **Advocacy, information**
- **Support regarding copyright issues**

# Support publishing in OA publications

- Institutional membership in BioMed Central  
(<http://www.biomedcentral.com/inst/11900>)
- DOAJ (<http://www.doaj.org/>)

# Offer self-archiving and publication registration services

- **Self-archiving and registration at LU**
  - Highly decentralised
  - Personal  
(<http://www.lucs.lu.se/People/Christian.Balkenius/> )
  - Departmental  
(<http://www.plantbio.lu.se/publications.html> )
  - Bibliographies at all levels  
(<http://www.kc.lu.se/research/bibliography/index.asp> )

# Offer self-archiving and publication registration services

- **LU:research** (<http://lu-research.lub.lu.se/> )
  - Publication registration – single entry point to published research with affiliation LU
  - Tool for local publishing and self-archiving
  - Disseminate information about LU research (<http://oaister.umdl.umich.edu/cgi/b/bib/bib-idx?c=oaister;page=simple> )
- **Lund University Dissertations** (<http://theses.lub.lu.se/postgrad/?lang=en> )
  - Registration mandatory
  - Full text publicly available optional
