For Japanese studies

Available online

Digitized Contents Transmission
Service for Libraries

Three benefits

- Patrons at partner libraries are able to search and browse more than two million digitized materials in the NDL Digital Collections, including many that are not available via the Internet.
- Includes many periodicals and old books that are not available via the Interlibrary Loan service.
- Copying services can be ordered directly via the browser, so patrons do not need to order the actual materials via Interlibrary Loan service.
